Message From Our Board Chair

Since joining the board in 2020, I have been lucky to work with our amazing staff, volunteers, and community partners who all share a desire and passion for “advancing the good life” in our wonderful district. It is an incredible honor to now serve as the new MACRD Board Chair.

Our goals for the MACRD are centered around its financial sustainability and how we can best serve our community. The Master Plan the district is working towards is helping us to better identify the needs and wants of our current and future patrons.

Early survey results and conversations with community members have allowed us identifying gaps in programming; for example, fun activities for families with toddlers. Recruitment and retention of our fabulous staff, robust program offerings, and increased hours of operations are top of mind for us.

On behalf of the MACRD Board of Directors, thank you for your support as we continue to pursue our mission of promoting long-term community vitality and supporting healthy lifestyles for the individuals, families and communities we serve. We look forward to seeing you at the pool and in this fall's recreation programs!

Thank you,
Deanna Seibold, Board Chair
